

Aleph Jordan Lightstone

Aspiring for Atlanta Council's 86th Shaliach

JUDAISM

Educate the council as well as my counterparts about the teachings of the Torah. Relate teachings back to the Seven Cardinal Principles.

Build brotherhood and fraternity through the teachings with having discussions and programs.

If we come together by standing up to the things we believe in and building upon our Jewish identity, we can take our Council to new heights.

STAND UP

As Shaliach I will help Atlanta Council and all chapters choose a stand up cause.

Choose a cause and make it loud.

Facebook posts, tweets, discussions, programs, fundraising. Help council and chapters spread their ideas. Choose a cause, does not matter what, rally behind it and put our joint energy into that cause.

SPEAK UP

Atlanta council speaks up for the state of Israel. As Shaliach I will educate members and counterparts about history, current events, politics, and culture in Israel. Bring in Israeli speakers, incorporate chapter programs and emails. Help people find a passion for our homeland.

“Let us go for into this world and show that the things **PATRIOTISM** and **JUDAISM** are the things that we **value most**. Let us manifest in our lives kindly deeds, unselfish thoughts, and the **DESIRE** to **SERVE**.”
