My Brother Alephs,
Picture yourself not having to pay for an event because fundraised money already paid for it. Our chapter is the best it has ever been before. The only thing we are lacking is the funds. If elected I would strive to eliminate this setback through effective fundraising.

Faternally submitted with an undying love for The International Order of the Aleph Zadik Aleph, The Council, and my home and my hear Hazakah AZA #2458,

I remain
Aleph Cole Isaac Sonshein
