As always, we had an amazing year in the best chapter in all of AZA, but now it is time to look forward into the next year of Hazakah. There will be many changes with the seniors gone, but we cannot dwell on that! We must push forward and continue doing what we do best. I want to improve this chapter and get it running at its maximum proficiency. I do not give up when the challenge gets tough; I rise up to the challenge. If elected Gizbor, you have my promise that I will be a great leader, board member, and most importantly, Gizbor.

Fraternally submitted with an undying love for Hazakah #2458, I proudly remain,

Aleph Harrison Brandon Rubin
