## My Primary Goals as Gizbor:

### **Fundraising:**

I want to plan more fundraising events to help the Hazakah increase its revenue. Some examples are raffles at conventions and selling Hazakah apparel. Also I would like to have a Fundraising program like an ice cream social where we charge people by the bowl to really boost the amount of money that we will be able to have.

### **Getting Results:**

Through the use of these fundraising ideas, the cash in the Hazakah bank will grow tremendously, and we will have more money to put toward the cost reduction of the chapter events. By doing this the attendance at chapter programs will grow a lot, and it will show other chapters in Atlanta Council how great and passionate Hazakah is about BBYO and chapter events.

### **My Brother Alephs,**

Hazakah is growing big and strong, but if we do not start to lower the cost of chapter events through fundraiser the attendance at chapter events will soon start to decrease. Theodore Herzl once said, "If you will it, it is no dream." And if elected as your Hazakah Gizbor I will make the dream of an even stronger and better Hazakah come true.

### **Cost Reduction:**

Throughout the semester on board, there will be changes made to help reduce cost of Chapter events. We will use the money that we will raise from fundraising events to help pay for more of the chapter events to accommodate the cost of our big chapter.

### **Other Achievements:**

- 2 time Gymnastics National Qualifier
- 2014 Academic All-American
- AIT Rep. '13
- Record holder for the most handstand pushups at Roswell Men's Gymnastics (31)

Fraternally submitted with an undying love for Hazakah #2458, BBYO, and the grand order of the Aleph Zadik Aleph, I humbly remain
