- Attended SRC 2013
- Elected Sgan for spring term of 2014
- Attended ACSC 2014
- Attended Chapcon 2014

Getting to know me:

Hello my name is Charlie and I am first an aleph and second a gentleman. I have many leather bound books and my house smells of rich mahogany. I am also an avid collector of wine from the finest \$195000 Chateau Margaux to the crappiest \$10 Maneshevitz. I enjoy long walks on the beach and watching fireworks on the 4th of July. I also like hiking up mountains and taking off my sunglasses in a cool way. Finally, I am a diligent reader and have read all the great classics, from "To Kill A Mockingbird" to the great Ron Burgundy's "Let Me Off At the Top." Please allow me to dazzle you with my presence and turn your Hazakah experience into an adventure you will never forget.

GOALS

Connectivity:

Increase the connection between each board member with scheduled calling and regular meetings. Also institute a board retreat, so each board member can get to know each other more personally in order to increase synergy between each position.

Sleepovers:

All sleepovers will now be considered ini Chapcons because they will be spent in a hotel or other area instead of a home. They will be bigger, better, and blindingly incredible. With the amount of members we now have our combined funding will ease the cost and increase the fun, making thus idea a reality.

Henry Monsky:

The prestigious Henry Monsky Award was bequeathed upon us this year and it will be my primary goal for this chapter to win it again. The fact that we won it once does not prove to other chapters that we are the best. It is only by winning it back to back that we show the true inconceivable awesome that every Hazakah member has. I know we have the dedication and tenacity to achieve this honor, we just need to prove it to others and show them what Hazakah is really made of, manly men.

New Program Possibilities:

Draw new members in with programs that are not specifically allowed in BBYO policy like paintball and boy girl sleepovers. These events would get potential members interested and would increase the amount of time spent together and the amount of bonds forged in the chapter.

Suggestion Box:

A physical suggestion box will be brought to all meetings where you can write down your ideas and place them in. If the suggestion box is unavailable, you can send an email to my Godol email and I will respond back promptly with the decision on whether your idea will be implemented or not.

Awesomeness:

I will be working very hard to increase the awesomeness of each event, each individual, each idea that we have in order to make our chapter more fun and relaxing to potential members and long time veterans. Every program will be improved and everyone will have far a more enjoyable experience. Hazakah is a place where men come to be themselves and making each event the best it can be is the fastest way to show them that Hazakah is a place for them.

“If laughter is the best medicine, let’s OD together.”
