

Aleph Samuel Isaac Berman

Chapter Moreh 1st Semester 2014

QUALIFICATIONS:

1. Assigned first ever Mekesher of Hazakah #2458.
2. Great relationships with current recruiting class.
3. Recruited a total of 3 alephs for this year.
4. Have good relationships with all of my family and friends, and a very easy person to talk to.
5. Planning to attend a summer program ASAP.

Goals:

1. With the new zip code rule in place, it will be challenging to get the 30+ members joining this year as last year so I plan to recruit as many as possible.
2. Help Hazakah receive the international chapter of the year again.
3. Recruit not only incoming freshman but all future Alephs.
4. Create the Big Brother- Little Brother program into a bigger part of Hazakah with more programs and bonding.
5. Create meetings for AIT's that will get them more involved.
6. Have more events such as Stars and Strikes to keep everyone together as a chapter
7. Create new chairs for retention and recruitment. Have certain people to call and make sure everything is good, some to create ideas and others to get feedback and maintain our chapter goals.

Retention:

1. Plan a great event for upperclassman only to help keep older members part of Hazakah.
2. Call members that have not been apart of the chapter as much and see if everything is ok.
3. Create after parties for older members that you can only attend by coming to the event.

Education:

1. Teach the chapter about Judaism and BBYO's growth through fun activities and sports.
2. Coordinate an educational Big Brother - Little Brother game with prizes.

Reasons why I am running:

To me Hazakah has been more than just a jewish youth group. It has been my home and my heart. I have created so many relationships and I want others to experience this and I also want see Hazakah continue to grow.

Why vote for me?

I am dedicated to this chapter and I want to be part of it in any way possible. I will be a great Moreh and recruit a hella amount of future alephs.
